Increase your confidence on exam day

The APICS CPIM designation is recognized globally as the standard for production and inventory management professionals. To successfully complete the APICS CPIM program and earn the designation, you'll need to pass each of the five APICS CPIM exams.

Use APICS CPIM Study Tools in combination with the APICS CPIM modules to master the core concepts on the APICS CPIM exam. If you do not plan to join an exam preparation class, or if you are interested in access to the APICS CPIM Study Tools before your class has been set up, you can use self-study to prepare for your APICS CPIM exam.

What's included

APICS CPIM Study Tools is available online and includes the following resources for each of the five APICS CPIM modules:

- Pre-assessments and post-assessments
- Solution slides—so you can focus on learning, not taking notes
- Answer key to performance check questions
- Self-study options to get a head start on preparing for an exam

APICS CPIM Study Tools is included with the cost of the APICS CPIM Participant Workbooks. You have access whether you choose an instructor-led review course or independent study. Learn more about this convenient online study resource at apics.org/cpimstudytools.

APICS CPIM STUDY TOOLS + APICS CPIM MODULES = APICS CPIM MASTERY

Whether you're studying for the APICS CPIM certification exams independently or through an instructor-led course, APICS CPIM Study Tools is the ultimate online resource for mastering the core concepts in all five of the APICS CPIM modules.

Access APICS CPIM Study Tools to register for classes and check class details. If you prefer independent study, this online resource is also designed to help you prepare for your APICS CPIM exam. For more information about APICS CPIM Study Tools, including FAQs, go to apics.org/cpimstudytools.
